## Living in Hacienda Heights

The area known as Hacienda Heights is located within unincorporated Los Angeles County. This means that as a resident of Hacienda Heights, you do not live in a city such as La Habra Heights or Whittier. Instead, your community is one of many in which the County is responsible for providing all municipal (local) services such as law enforcement, fire suppression, library, animal control, road maintenance, and park and recreation activities. The County Board of Supervisors is your "City Council" and is responsible for making policy that affects you and all other Hacienda Heights residents.

The County is divided into five Supervisorial Districts, each of which is represented by a Supervisor. In Hacienda Heights, all residential areas are part of the Fourth District. The Fourth District maintains a local field office in Rowland Heights with knowledgeable staff that can assist you in obtaining comprehensive information about County services. If you have questions or need assistance accessing County government services, please contact the Rowland Heights Field Office.

**Rowland Heights Field Office**  
1199 S. Fairway Dr., Suite 111  
Rowland Heights, 91789  
(562) 943-4351

A few industrial areas in Hacienda Heights north of Clark Avenue and west of Turnball Canyon Road are within the First District. For assistance with issues related to these areas, contact the First District San Gabriel Valley Field Office at (626) 350-4500.

## Hacienda Heights Improvement Association

The Hacienda Heights Improvement Association (HHIA) meets on the third Monday of each month, except for January and February when the meetings are held on the fourth Monday. Meetings are open to the public and are held at 7:00 p.m. in the Board Room at the Hacienda/La Puente Unified School District offices located at 15959 East Gale Avenue, City of Industry. - Do I need a permit for my project?
- How much will a permit cost?
- Do I need a contractor?
- Can I do the work myself?
- Do I need building plans?

## Department of Public Works - Building and Safety

16005 East Central Avenue  
La Puente, CA

(626) 961-9611

Monday through Friday, 8:00 a.m. to 4:30 p.m.

[lapdw.org](http://lapdw.org)

If you are planning a home improvement project such as a room addition, kitchen remodeling, or roof replacement, you should contact the La Puente Building and Safety Division of the Los Angeles County Department of Public Works (DPW). DPW will assist you with questions on any home or business project.

By law, most construction and installations require a building permit. The law is not intended to be a regulatory obstacle, but rather is in place for the safety and protection of homeowners, business owners, and their investments.

Many home and business owners are not aware of the various agencies that require approval before a building permit may be issued. Examples of County departments and agencies that may have requirements for your type of project are: Regional Planning, Fire Department, Health Services Department, School District, and other agencies, depending on the community.

The La Puente Building and Safety Office has a staff of professional engineers, building inspectors, and permit technicians that are happy to assist you in answering your questions. Please visit the office for assistance.

## Department of Regional Planning - Code Enforcement

The County of Los Angeles has a Zoning Ordinance that prohibits the following activities in Hacienda Heights and throughout the unincorporated areas of Los Angeles County:

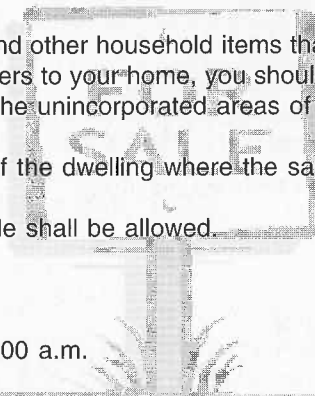

- Storage of junk and salvage items.
- Storage of inoperable vehicles.
- Parking of vehicles in the front yard.
- Parking of commercial vehicles on residentially-zoned property.
- Operating an un-permitted business on residentially-zoned property.
- Using a trailer or recreational vehicle as living quarters.
- Conversion of garages to living quarters.
- Converting a single family dwelling unit to multiple dwelling units without Regional Planning's approval.
- Business signs such as banners and portable signs.
- Merchandise displayed and sold outside of an enclosed building.
- More than two yard sales per year per residence (see below).

The Department of Regional Planning enforces the Zoning Ordinance and cites violations of those described above. If you feel someone in your neighborhood is using their property contrary to the Zoning Ordinance, please call the Toll-Free Help Line at (888) 924-4357.

## Yard or Garage Sale Ordinance - Things You Should Know

What better way to get rid of some of your unwanted old clothing, children's toys, and other household items than through a yard or garage sale? However, before you put that sign up and invite all the bargain hunters to your home, you should be aware of the following standards for conducting a yard or garage sale or other similar event in the unincorporated areas of the County.

- Items sold are limited to the personal property of the resident or residents of the dwelling where the sale is conducted.
- No items acquired for resale will be allowed to be sold.
- One sign, on-site and no longer than four (4) square feet, advertising the sale shall be allowed.
- The sign may be double sided and facing in both directions.
- Two personal property sales will be allowed yearly.
- Each sale is not to exceed three consecutive days.
- Each sale is allowed anytime except between the hours of 6:00 p.m. and 7:00 a.m.

Violations of these standards can be reported to the Zoning Enforcement Section of the Department of Regional Planning by calling the Help Line at (888) 924-4357.

- Ask stores about their refund policy.
- Save your receipts and compare product warranties.
- If you buy on credit, don't sign a contract you don't understand.
- Don't be afraid to ask questions: How much is the total amount you will pay, including interest? When will the first and subsequent payments become due?
- When buying on the Internet, make sure the website is secure before you enter personal information and examine the seller's shipping and handling fees and return and cancellation policies.

Please contact the Department of Consumer Affairs if you require assistance on a consumer issue at **(800) 593-8222** or visit [consumer-affairs.co.la.ca.us](http://consumer-affairs.co.la.ca.us) for more information.
