## Dear Community Member,

The County of Los Angeles is pleased to offer you the annual publication of the **Hacienda Heights Connection** – an information newsletter prepared especially for your community. You live in a community with a wealth of activities and resources. Through the **Hacienda Heights Connection**, you will find valuable information on County services, as well as community updates.

We welcome your input. If you have any comments or suggestions on your **Hacienda Heights Connection**, please forward them to:

County of Los Angeles-Chief Administrative Office • Office of Unincorporated Area Services and Special Projects (OUAS & SP) • 723 Kenneth Hahn Hall of Administration • 500 West Temple Street • Los Angeles, California 90012 • Or E-mail your comments to: [uas@cao.lacounty.gov](mailto:uas@cao.lacounty.gov)

## Living in Hacienda Heights

Hacienda Heights is an unincorporated community of approximately 11.4 square miles. As an unincorporated area, municipal services are provided by the County of Los Angeles, including law enforcement, fire suppression, library, road maintenance, and parks and recreation activities.

The Los Angeles County Board of Supervisors is your "City Council" and is responsible for making policies that affect you. Hacienda Heights, except for a small portion in the First Supervisorial District, (north of Clark Avenue and west of Turnbull Canyon), is represented by the Fourth Supervisorial District, which maintains a local office near your community. The information in this guide will help you access the County services you need, however, if you have need additional assistance, please contact the Fourth District Office.

Fourth District Field Office • 1199 South Fairway Drive, Suite 111 • Rowland Heights, CA 91789 (562) 943-4351 or (909) 594-6561 • Fax (909) 594-1621

## What Can You Do to Improve the Quality of Life in Hacienda Heights? Get Involved!

The Hacienda Heights Improvement Association (HHIA) works in partnership with the County of Los Angeles, to address issues and develop innovative ways to improve the quality of life in your community. HHIA members meet on the third Monday of each month, except for January and February when the meetings are held on the fourth Monday. Meetings are open to the public and are held at 7:00 p.m. at the Hacienda/La Puente Unified School District Board Room, located at 15959 East Gale Avenue, City of Industry. Visit the HHIA Website at [www.hhia.net](http://www.hhia.net), send an E-mail to [info@hhia.net](mailto:info@hhia.net) or write to HHIA at P.O. Box 5235, Hacienda Heights, CA 917745.

## Hacienda Heights Community History

Located on part of the Rancho La Puente, a Mexican land grant of 49,000 acres, the area known today as Hacienda Heights was awarded to settlers William Workman and John Rowland in 1845. Growers in North Whittier Heights-the predecessor community to Hacienda Heights-started the North Whittier Heights Citrus Association and opened a packing plant near Ninth and Clark avenues, around which grew a settlement called Hillgrove. At one point, Hacienda Heights' flatlands were among the best walnut-producing areas of the State. The area, largely agricultural at that time, was purchased in 1926 as a real estate development and was transformed in 1954 from hillsides of citrus, walnut and avocado trees to housing developments. The population increased tremendously from a few thousand in 1954 to over 35,000 ten years later. Today the population stands at 61,605. In 1961 the community officially adopted the name Hacienda Heights. Community residents voted three times (1982, 1992, and 2003) to remain unincorporated and not incorporate as a city.

## Did you know?

- The Haas avocado was developed in the Puente Hills surrounding Hacienda Heights. This avocado is now the standard avocado known throughout the world for its deliciousness.
- In the original "War of the Worlds" movie, made in 1953, the first battle

between the Martian invaders and the US Army took place in what is now Hacienda Heights.

# Community Updates and Improvements

## New Street Name Signs in Hacienda Heights

Have you noticed the new street name signs along Colima Road in Hacienda Heights? The signs are being installed on major roadways with speed limits of 30 mph or greater to increase visibility. The signs also include the community name of Hacienda Heights along with the Los Angeles County Seal. By June 2007, 740 signs will have been installed by the Department of Public Works in Hacienda Heights and the neighboring community of Rowland Heights.

## Nuisance Abatement Team - Assisting With Problem Properties

Los Angeles County Departments have recently stepped up code enforcement efforts in Hacienda Heights by implementing a Nuisance Abatement Team (NAT) that involves multiple County Departments including Public Works, Regional Planning, Fire, Public Health/Environmental Health, Sheriff's, and the District Attorney. The NAT Team will coordinate joint inspections and investigate serious nuisance conditions at commercial and residential properties. All complaints will be kept confidential.

NAT Coordinator: Tamara McDonnell, Department of Public Works  
Building and Safety Division, 16005 E. Central Ave., La Puente, CA 91741  
(626) 961-9611

## New Electronic Monument Sign Will Keep you Informed

Motorists traveling north on Hacienda Boulevard will be welcomed into the Hacienda Heights community by a new monument sign. The sign was designed to include a message board displaying important information such as local community meetings, and events. The monument sign will be located on the Hacienda Boulevard street median, near Halliburton Road.

## Services Now Expanded to 7 days a week! Report Graffiti as Soon as You See it.

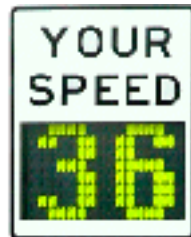

Graffiti cleanup services are now being offered in Hacienda Heights seven days a week. Although graffiti abatement crews will focus efforts on graffiti near schools, parks and major thoroughfares, the crews will also be available to respond to individual service calls.

For graffiti removal in the Hacienda Heights, please contact the Los Angeles County Graffiti Hotline at (800) 675-4357.

## New Community Traffic Control Enhancements

### Speed Trailer Alerts You to Stay Within the Speed Limit

Radar speed trailers were recently purchased through a grant from the California Office of Traffic Safety and will be placed at various locations within Hacienda Heights. Radar speed trailers improve the safety for both pedestrians and motorists by increasing driver awareness of the posted speed limit, informing drivers of the speed at which they are traveling, and encouraging motorists to comply with the posted speed limit. The trailers will be temporarily deployed at various locations within the community where speeding problems persist. Should you have any questions, please contact Officer Raquel Stage of the California Highway Patrol Santa Fe Springs Station at (562) 868-0503.

### Upgraded School Crossing Zone Completed on Colima Road

Grazide Elementary School students and pedestrians crossing Colima Road have an added safety measure due to the installation of Solar Powered School Zone Flashers. The project included installing flashing yellow lights above existing "School, 25 mph, when Children are Present" signs, which are activated during school arrival and dismissal times. The flashers are intended to increase motorists' awareness of school-aged pedestrians in the area, and encourage motorists to drive within the 25-mph speed limit, and enhance pedestrian safety.

### Commercial Vehicle Parking Ban approved for Countrywood Avenue

In some cases, large commercial vehicles can block pedestrian and motorist visibility and the ability to travel safely. A traffic regulation was adopted prohibiting commercial vehicles over 10,000 lbs. from parking at any time on Countrywood Avenue between Pepperbrook Way and Colima Road. If you see commercial vehicles in violation of the restriction in this area, please contact the Industry Sheriff's Station at (626) 330-3322. If you are experiencing ongoing problems related to large commercial vehicles in your neighborhood, contact the Department of Public Works at (626) 300-4840.

### Enhanced Program to Retrieve Abandoned Shopping Carts

Help us keep your community free of abandoned shopping carts. The County has approved an enhanced shopping cart retrieval contract for Hacienda Heights. This enhanced contract will require the contractor to patrol neighborhoods six days per week, Monday through Saturday, to retrieve abandoned shopping carts. If you notice abandoned shopping carts in your neighborhood, please call the contractor directly at (800) 252-4613, 24-hours a day. You may also call the Department of Public Works at (626) 337-1277 to arrange for the removal of abandoned shopping carts.

## Recent Upgrades to Your Local Parks

### Los Robles Park

A recently completed improvement project at the park includes refurbishment to the community building restrooms and drinking faucets for ADA (Americans with Disabilities Act) compliance. Additionally, the building exterior was painted with a graffiti prevention coating, faulty storm drains were replaced, security lighting and the irrigation system were upgraded, the basketball court and parking lot were reconstructed, new concrete was installed in the shuffleboard area and the benches were replaced. Kids can try something new after playing on the swings and jungle gyms. A new large six-foot tall boulder allows little ones to practice their rock climbing skills. The \$2.2 million project was funded through various County and State funds.

### Steinmetz and Pepperbrook Parks

Both parks are currently undergoing upgrades that will include new play equipment and resurfacing for ADA accessibility. The project construction is expected to be completed by December 2007. The total cost of both projects is \$778,000 and is funded through County funding sources.

### Manzanita Park

The play area was upgraded with new play equipment and resurfacing for ADA accessibility at a total cost of \$234,000 funded through County and State funds. Additional work will be focused in the basketball court area including, resurfacing, replacement of the backboards and players benches. Expected completion date is December 2007 at a total cost of \$63,000 funded through County funds.

### Countrywood Park

Installation of a new reclaimed water system will be followed by new landscaping and irrigation. This project is expected to be completed by April 2007 at a total cost of \$142,000 funded by various County funds.

## New Conveniences to Bus Riders in Hacienda Heights

Bus riders will now be protected from the heat and rain. The Department of Public Works (DPW) recently placed 22 new bus stop shelters in various locations within Hacienda Heights. In an effort to enhance security for riders, additional solar light poles were installed to increase lighting, and bus schedule information kiosks were installed. Also, trash receptacles with dome covers were placed at various bus stop locations in Hacienda Heights. If you notice that your neighborhood bus shelter is in need of maintenance, please call DPW at **626 458-3961** or **(800)675-Help (4357)**

## New Fire Engine Arrives for Hacienda Heights

Fire Station 91 personnel are proud of the new state-of-the-art equipment that will provide enhanced service to

the Hacienda Heights and Turnbull Canyon area. The new Fire Engine now complements a new Fire Patrol vehicle that was purchased last year.

"Engine 91" now has an enclosed cab providing additional safety for firefighters when battling brush fires. The Engine's foam capacity has increased from 10 gallons to 25 gallons which will assist firefighters with structure protection. Traveling the winding roads of Turnbull Canyon will be easier now with an improved turning radius. Other additional features include increased storage capacity for medical and fire equipment, high powered lighting, increased ladder and hose capacity, and a tank capable of holding 500 gallons of water.

## Trash Franchise Update

The County of Los Angeles has begun a trash hauling and bulky item pick-up system for unincorporated areas. A new franchise waste collection system for Hacienda Heights is expected to be implemented in Spring 2008.

In order to ensure that Hacienda Heights residents receive the best trash hauling services, the Department of Public Works (DPW) will send out Notices for Request for Proposals to qualified trash haulers. Hacienda Heights residents will receive additional information and will be invited to community meetings as the implementation date approaches. You should continue to make bulky item pick-up requests directly with your current trash hauling company. For more information, please contact DPW at **(626) 458-3562**, or visit **www.888cleanla.com**.

## Community Plan Update

The Los Angeles County Department of Regional Planning (DRP) will be working to update the Hacienda Heights Community Plan. Community members will be invited to participate in a series of meetings. Once completed, the updated plan will serve as a blueprint for future development and preservation. For more information about the Community Plan, please contact Lisbeth Sinclair at DRP at **lsinclair@planning.lacounty.gov** or **(213) 974-6425**.

## Tipping Fees

Currently, community members have the opportunity to contribute to ongoing discussions regarding future use of approximately \$22 million in "tipping fees" dedicated for the Hacienda Heights area from the Puente Hills Landfill. A "tipping fee" is the price paid to dispose of trash at a landfill. For more information on the tipping fees and upcoming meetings, please contact the Fourth District Field Office at **(909) 594-6561**.

Kenn Hughes, Deputy Ranger: (310) 858-7272 Ext. 227

Emergency Services: (562) 698-1446

As part of the mitigation for the Puente Hills Landfill, the organization is dedicated to restore open space, and provide opportunities for outdoor education and recreation. All trails are open sunrise to sunset, except during extreme or hazardous weather conditions. All trails are closed 48-hours after rain, or longer periods of time depending on conditions. Trails are also closed during red flag days (extreme fire hazard days).

### Arroyo Pescadero 2-Mile Loop Trail Reopened!

**Location:** West side of Colima Road across from Murphy Ranch Little League fields. The trail is ADA accessible.

Washed out two years ago by high storm water, the Habitat Authority built the Arizona Crossing, a concrete crossing which will be able to handle future heavy rain. Hikers, dog walkers, equestrians, and nature lovers are encouraged to use this area. Duplicate tracks of coyotes, grey fox, deer, mountain lion, and bobcat have been placed in the cement for the public to enjoy.

### Harbor Boulevard Wildlife Underpass

In partnership with the County of Los Angeles, the Habitat Authority opened a wildlife underpass at Harbor Boulevard which allows animals to cross safely. Since it has been opened, coyote, deer and even the elusive bobcat have been using it!

### Hacienda Hills Trailhead

Location: From the Pomona Freeway (60), exit

7th Avenue and head south. Trailhead is at the end of 7th Avenue. The parking lot at this trailhead located at the end of 7th Avenue in Hacienda Heights is undergoing repairs. In the meanwhile, parking is available on the street, and the trailhead is open for use. Every effort is being made to complete this project as soon as possible.

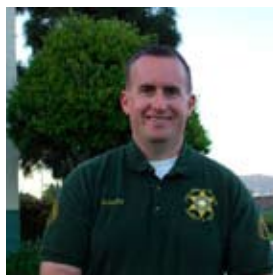

## Public Safety

### Public Safety – Together We Can Maintain a Safe Community

The Los Angeles County Sheriff's Department, is responsible for law enforcement services to Hacienda Heights. Deputy Brian Sanford has been specifically assigned as the "Town Sheriff" for your community addressing "quality-of-life issues" within Hacienda Heights. Deputy Sanford can be reached at (626) 330-3322.

### Community and Youth Programs

**Volunteers on Patrol (VOPS)** involve community members serving as additional eyes and ears of patrol personnel, and assist the public at the Sheriff's station public counter. For more information, please contact Deputy Ken Laymen at (626) 330-3322.

**Sheriff's Explorer Program:** This program is for youth, between the ages of 14 and 21, who are interested in a career in law enforcement or community service. For more information on the program, please contact Fire Fighter Jesse Vasquez at (626) 854-3488.

### In the Event of an Emergency or a Major Disaster.....

Do you know where your utility connections are and how to turn them off? The Fire Department encourages you to refer to the following Websites for information on how to safely turn off your utilities.

#### Gas

If you smell gas, do not light a match, candle or cigarette. Evacuate and don't turn on electrical appliances or turn lights on and off. Turn off your gas meter only if you smell gas or hear the hissing sound of gas escaping. Call the Gas Company to request service at (800) 427-2200. Only your utility company can turn the gas back on safely. If you have an emergency, call the Fire Department by dialing 9-1-1. For more information visit the Gas Company's Website at [www.socalgas.com](http://www.socalgas.com).

#### Electricity

If you and your neighbors don't have power, call Southern California Edison (SCE) at (800) 611-1911. Do not use candles for lighting during an outage since they can become a fire hazard. Use flashlights or battery powered lanterns. If your home is the only one without power, it may be a "tripped" circuit breaker or a blown fuse. Refer to the SCE Website for safety tips at [www.sce.com](http://www.sce.com).

#### Water

Identify the main water value to your home. In the event of a natural disaster, you may need to shut off the main valve to stop contaminated water from entering your home due to broken water or sewage lines. Visit the American Red Cross Website at [www.redcross.org](http://www.redcross.org) and refer to "Food and Water in an Emergency".

## Los Angeles County Police

This law enforcement agency is responsible for providing services to the patrons, employees, and properties of the County including parks, hospitals, public health facilities, and public libraries. To report crime or suspicious activity call the Los Angeles County Office of Public Safety at **(800) 834-0064**. To report non-emergency issues during

business hours, call **(310) 217-8354**, or contact the Administrative Sergeant at **(310) 217-8394**.

For information on career opportunities with the Los Angeles County Police please contact the: Recruitment Unit, 13001 Dahlia Street, Downey, CA 90242, or call toll free at **(800) 869-4555**.

## California Highway Patrol (CHP)

The CHP handles traffic related issues in Hacienda Heights such as speeding, cruising, collisions, car racing and other traffic violations. If you have any questions related to traffic violations or accident reports, please contact:

CHP Santa Fe Springs Office at **(562) 868-0503**

Business hours:

Monday through Friday, 8:00 a.m. - 5:00 p.m.

24-Hour Non-emergency Hotline: **(323) 906-3434**

Dial 9-1-1 to report emergencies.

## Know Your Rights When You Are Solicited For House Number Curb Painting

Before you say "Yes" to any solicitor who wants you to pay them to paint your house number and a logo on the curb in front of your house, the Los Angeles County Department of Public Works (DPW) wants you to be aware of these facts:

- The County does not employ anyone to paint house numbers on curbs.
- The solicitor cannot charge you for any curb painting service. However, you can volunteer to give a monetary donation if you wish.
- Legally, you are not obligated to have your house number on the curb. Having your curb painted with your house number is voluntary. However, the Fire Department recommends that your address is clearly marked on the front of your house. If your house is not visible from the street, you may post a sign next to the vehicle entrance.

## Animal Care and Control

### Attention Dog Owners!

The Los Angeles County Department of Animal Care and Control provides complete animal care and control service to residents of Hacienda Heights. Services include pet adoptions, animal cruelty investigations, patrolling for stray animals, issuing pet licenses and picking up stray dead animals. Volunteer opportunities are also available.

## Mandatory Spay/Neuter and Microchipping for Dogs

On June 1, 2006 a new County ordinance became effective requiring all residents of unincorporated areas have their dogs spayed or neutered and have a FREE identification microchip implanted. If you have already followed these requirements,

please submit the dog's microchip number and the spay/neuter certificate to the Department of Animal Care and Control. It is not too late to avoid penalties and fines. Low-cost spay/neuter referrals, and senior citizens discounts are available.

## New State Law Limits Tethering of Dogs

A new State law was passed this year that prohibits the tethering of a dog to any stationary object for more than three hours in a 24-hour period. There are exceptions to the law, as it is meant to target the forgotten backyard dogs.

For more information, please contact the Department of Animal Care and Control for assistance or log onto <http://animalcontrol.lacounty.info>
