## Serving the Community of Hacienda Heights

Hacienda Heights is a County unincorporated area. Although not an official city, your community is governed by the Los Angeles County Board of Supervisors, of which one member is responsible for representing Hacienda Heights. The County of Los Angeles provides the necessary municipal services to meet the needs of residents such as road maintenance, public safety, parks and libraries. Inside this publication are updates and resources that are available to you. However, there is much more to explore! Please visit the County's official website at [www.lacounty.gov](http://www.lacounty.gov).

### Hacienda Heights Community Center Planning for Our Future

Hacienda Heights residents are encouraged to participate in the planning and programming for the new Hacienda Heights Community Center. The Hillgrove

site, located on Turnbull Canyon Road, has been identified as the location for a new community center and enhanced recreation for the community. The Tipping Fee funds collected from the last expansion of the Puente Hills Landfill and a partnership with the Hacienda La Puente School District to utilize the former school site, will make this project possible

Over 200 residents participated in two community meetings held in March, providing input on what should be included in this community center. The input will be used for developing a master plan. \$15 million of the available tipping funds for this project, and other funds, will be utilized to build this project. Not all priorities identified by the community can be accommodated; however, the master plan process is designed to deliver facilities and programs to serve the greatest number of Hacienda Heights residents.

To find out how to get involved in this important process, contact the Board of Supervisors Office at (909) 594-6561.

### Keeping Hacienda Heights Green

In collaboration with the California Department of Forestry and Fire Protection, Public Works recently completed planting approximately 100 trees along major streets in Hacienda Heights. The project was funded using grants from Proposition 12, and the Safe Neighborhood Parks, Clean Water, Clean Air, and Coastal Protection Bond Act of 2000.

Public Works can plant trees in existing tree wells on major roads that meet standard clearances. In addition, if clearances are met, a single tree may be planted in front of a residence on a local street upon request of the property owner. To request a new tree, or to report diseased, damaged or missing trees, call Public Works at (626) 337-1277.

### Hacienda Heights Community Plan Update

The Hacienda Heights Community Plan continues to be updated through a collaboration between the County and the community. Issues such as housing, community services, community appearance, transportation, open space and youth services were addressed in a preliminary draft of the plan in the Fall of 2008. Regional Planning will release the Draft Plan including the proposed goals, policies and actions in 2009, for public review. The Final Plan will be approved by the Regional Planning Commission and then adopted by the Board of Supervisors. For more information call (213) 974-4885 or [emailcommplan@planning.lacounty.gov](mailto:emailcommplan@planning.lacounty.gov).

### Upgrades Completed at Schabarum Regional Park

Upgrades have been completed to the 589 acre park. In the past year, the County replaced the playground equipment, installed new rubberized tiles, replaced seven existing pedestrian bridges, refurbished two vehicle bridges and regraded the existing horse staging area for proper water drainage.

### ROADWAY LANDSCAPING PROJECT COMPLETED ALONG 7th AVENUE

A portion of 7th Avenue, south of Palm Avenue to Los Robles Avenue, was recently improved with new landscaping and a walking trail. Users of the new landscaped area will have a chance to learn about the local eco-system, as native plants used in the landscaping will attract birds and other wildlife. The project also includes ways to retain stormwater directly in the area and replenish the

groundwater below. Come out and enjoy the new walking trail!

### Los Angeles County Parks and Recreation on Flickr

The County of Los Angeles Department of Parks and Recreation recently launched one of Los Angeles County's first official Flickr accounts. The Parks and Recreation Flickr page will showcase photographs by employees and visitors, professionals and amateurs. The first photo sets posted are the finalists of the Department's 2008 Photo Contest, that included snapshots of the beautiful Virginia Robinson Gardens. Eventually every County park will be featured.

## Hacienda Heights Military Recognition Banner Program

To honor the dedicated service of Hacienda Heights residents proudly serving in the United States Armed Forces, the Board Office and the San Gabriel Valley Regional Chamber of Commerce displays recognition banners along major streets of the community.

The "Heights Military Recognition Banner Program" seeks to honor active military personnel by having a banner in their name prominently displayed on utility and light poles. Residents of Hacienda Heights who are on active duty are eligible to participate in the program and receive a banner.

When the service personnel separates from the military, the banner will be presented to them as a token of their service. For more information contact (909) 594-6561.

## Transit Needs Study-Getting Around Hacienda Heights

The Department of Public Works will begin work on a study to identify unmet transit needs in Hacienda Heights. The study will review existing transit services to ensure that the communities' transit needs are met. Several community outreach meetings will be held to obtain public input. The study results may recommend new or enhanced transit services. For more information about the local transit needs study, please contact Lisa Chen at [lichen@dpw.lacounty.gov](mailto:lichen@dpw.lacounty.gov) or call (626) 458-5935.

## Know Your Rights When you are Approached for House Number Curb Painting

Recently, there have been problems reported in your community regarding solicitors who want to paint your house number and a logo on the curb in front of your house. Before you say "yes" be aware of the facts:

- The County does not employ anyone to paint house numbers on curbs.
- You cannot be charged for any curb painting service. However, you can volunteer to give a monetary donation.
- Legally, you are not obligated to have your house number on the curb. However, the Fire Department recommends that your address is clearly marked on the front of your house. If your house is not visible from the street, you may post a sign next to your driveway.
- The person requesting to paint your curb must obtain and carry an Encroachment Permit from Public Works.
- The property owner's permission must be obtained before painting the house number.
- Logos painted on the curb are not permitted in Hacienda Heights.
- The solicitor must provide you with a copy of the curb painting guidelines and obtain your signature indicating you understand and have given permission to paint your curb.
- Several solicitors were recently arrested for operating without a permit.

If you would like to inquire if a company has a permit, please contact the Department of Public Works Permit Office at (626) 458-3129. If you feel threatened or intimidated by any representative of a curb painting service, please notify the Sheriff's Department at (626) 330-3322.

## Education for Residents Who Live in the Fire Zone

The Los Angeles County Fire Department recently presented a "Living in the Fire Zone" Expo. The Expo was designed to encourage local residents to learn how to protect their lives and their homes in the event of a wildland fire. Fire Station 118, in the City of Industry, hosted the event, and local fire fighters were on hand to help residents understand their vulnerability to fire and steps they can take to be prepared.

"Living in the Fire Zone" is a new educational effort initiated by Fire Chief P. Michael Freeman. This program was developed as a result of firestorms that significantly impacted numerous communities within the County. In the months to come, the "Wildland Fire Protection Initiative" will continue to offer additional community outreach opportunities for the public. For more information on fire safety, please visit [www.fire.lacounty.gov](http://www.fire.lacounty.gov).

## The Census is Coming in 2010

Los Angeles Office (800) 992-3530

[www.census.gov](http://www.census.gov)

**It's important.** Filling out your census form will help your community get its fair share of Federal and State funding. Decisions related to services for the elderly, where to build new roads and schools, locate job training centers and define Supervisorial District boundaries are based on the Census data for your community.

**It's confidential.** This is a Federal program and your responses are protected by law. It takes only a few minutes to answer and return by mail. The Census Bureau will mail or deliver questionnaires to you in March 2010. A second form will be mailed to you if you do not respond. If you still do not respond, you will be called or visited by a Census worker. (Census workers can be identified by a census badge and bag.) All Census Bureau employees have taken an oath to protect confidentiality and are subject to a jail term, a fine – or both – for disclosing any of your personal information.

**Become a Census Taker!** Call (866) 861-2010 for more information.

## Trash Collection Franchise Update

In response to additional feedback from Hacienda Heights residents, the Department of Public Works (DPW) is currently working on a new contract that will provide residents with a higher level of service. This includes extra containers for recycling and green waste, bulky item collections twice per year, special community cleanup events, excess green waste collection, free rollout services for the elderly and/or disabled, and discounts for qualifying seniors. In addition, the new contract will include green programs such as the use of clean fuel vehicles, electronic waste collection events, and other programs. Public Works anticipates releasing a request for proposals for the new services in Summer 2009 with the new services starting in Spring 2010.

Hacienda Heights residents will receive additional information and will be invited to community meetings as the implementation date approaches. For more information, contact DPW at (800) 993-5844, or visit [www.888CleanLA.com](http://www.888CleanLA.com).

## Nogales Street Grade Separation

Waiting for a passing train at train crossings can be frustrating! The Alameda Corridor East Construction Authority (ACE), in conjunction with the Department of Public Works and the City of Industry, is completing design on a grade separation project on Nogales Street at the Union Pacific Railroad crossing. The project will enhance safety, reduce traffic congestion, and improve emergency response. The Alameda Corridor East Construction Authority estimates that construction will begin mid-2010 and will take approximately three years to complete.

(213) 738-4004 or (800) 510-2020

[www.losangeles.networkofcare.org/aging](http://www.losangeles.networkofcare.org/aging)

Los Angeles City and County have collaborated to create a "user-friendly" website called Adult Care Network, which is designed for those seeking services geared to the 60+ population. The website has special features that will enable you to create a personal information record online and has educational information on subjects such as diseases, medications, treatments, care management issues, prevention, early intervention, planning, consumer advocacy and protection.

### Plan to Improve Access to County Services for Seniors

The County is now working, through a task force, to identify all existing senior services programs and resources to create a "no wrong door" model of services for seniors. The Department of Community and Senior Services (CSS) Department is leading this Countywide effort.

During the months of November and December 2008, CSS convened nine community meetings throughout the County of Los Angeles to gather input on the Task Force's preliminary recommendations. The next step is to evaluate the input and prepare a report with recommendations to the Board of Supervisors in the Spring of 2009. The goal of this input is to improve access to senior services provided by the County of Los Angeles. For more information about this project, contact Jay Glassman at (213) 739-7323.

### Los Angeles County Caregiver Program

(800) 510-2020

(213) 974-1452 or (800) 593-8222  
[dca.lacounty.gov](http://dca.lacounty.gov)

The Department of Consumer Affairs (DCA) helps homeowners avoid losing their homes through a program that includes counseling, loan modifications, complaint investigations, community outreach and foreclosure fraud investigations. The demand for these services has risen as 40,000 homes were lost to foreclosure in Los Angeles County last year. For more information or assistance, please contact DCA.

### Report Nuisance Properties

Report abandoned or unkempt residences to the Public Works-Building Rehabilitation Division at (626) 961-9611 or to the Department of Regional Planning Code Enforcement Division at (213) 974-6483. You can also dial 2-1-1.

## Homeowner Scam Alert, No Fee Necessary for Value Reduction

The Department of Consumer Affairs warns you that companies are sending mailings to property owners offering services to reduce property taxes. These companies may charge hundreds of dollars to file for a reduction in value on behalf of the property owner. Do not get ripped off by these companies!

If you or someone you know receives an illegal solicitation, please contact the Department of Consumer Affairs by phone at (800) 973-3370 or visit <http://dca.lacounty.gov>.

## Industry Sheriff's Station

150 N. Hudson Avenue  
City of Industry, CA 91744  
(626) 330-3322  
[www.lasd.org](http://www.lasd.org)

The deputies that patrol Hacienda Heights are under the command of Captain Michael R. Claus. Captain Claus is a 29-year veteran of the Department and has worked in this area for more than five years.

## Neighborhood Watch

One way to address neighborhood crime is to form a Neighborhood Watch group. By working in partnership with your local law enforcement, neighborhoods can take a proactive approach to maintaining a safe community. If you are interested in the Neighborhood Watch program, please call your Town Sheriff, Deputy Brian Sanford, at (626) 934-3052.

## Become a Part of the Community Programs

The Youth Athletic League (YAL) offers year-round sports activities. Hacienda Heights youth have the opportunity to participate in organized sports at no expense. Flag football, baseball, basketball, tennis, martial arts, scuba diving and camping are some of the activities offered. Camp Courage is a camping activity designed to use Deputies and community members as camp counselors for "at-risk" youth in the station patrol area. The Camp Courage experience fosters positive interaction, often one-on-one, with role models and mentors. A three day camp trip is offered, focusing on leadership, team building, and communication skills. Campers will enjoy activities such as, archery, basketball, volleyball, hiking, wall climbing, high ropes challenge course, and zip line, just to name a few.

For information about the camp, log on to [www.industryyal.org](http://www.industryyal.org) or call the YAL office at (626) 934-3070.

## Part Time Deputy, Full Time Hero

Reserve Deputies are utilized to supplement the Department's law enforcement staffing. Like full-time Deputies, Reserve Deputies are professionally trained and sworn law enforcement personnel. For further information on becoming a Reserve Deputy Sheriff, call (562) 946-7871. For information on other volunteer programs, contact the Industry Station Volunteer Coordinator, Sergeant Toni Wilson at (626) 330-3322, ext. 3093.

**Baldwin Park Shelter**, 4275 N. Elton, Baldwin Park, CA 91706 (626) 962-3577 (24-hour Call Center)  
Monday - Thursday, 12:00 p.m. - 7:00 p.m., Friday and Saturday, 10:00 a.m. - 5:00 p.m. Closed Sundays and holidays.

If you see dogs running loose or acting in an aggressive manner you may report the problem to your local animal shelter. Be prepared to provide the details of the situation such as:

- Location of the stray dog (cross street if known) • Description of the animal • Address of owner if known
- Description of animals acting in an aggressive and/or threatening manner or bitten someone • Description of animals condition

Once the dog is impounded, it will be checked for a license or ID tag and scanned for a microchip. If an owner cannot be located, the dog will be taken to the shelter. Animals without traceable identification will be held for five business days. The stray hold period is longer for animals that are wearing identification. Animals that are injured or sick will be evaluated and treated by shelter medical staff or a private veterinarian. Pet owners who allow their dog to run loose may be cited, receive a written warning, and will be responsible for any impound fees.

## Meet Battalion Chief Robert Bangar

Battalion Chief Robert Bangar is a 34-year veteran of the Los Angeles County Fire Department, and currently serves as your "A" Shift Battalion Chief for your community. While on duty, he is responsible for the daily operations of six fire stations and 37 firefighters. Chief Bangar enjoys serving the public and the challenge of responding to the many diverse emergency calls within the area.

## SAFELY SURRENDERED BABY PROGRAM

The Safely Surrendered Baby Program allows a parent with lawful custody to surrender a newborn child (72 hours or younger) to any firefighter on duty at any fire station in Los Angeles County. The purpose of the law is to protect babies from being hurt or killed because they were abandoned. As long as the baby has not been abused or neglected, the person may surrender the baby without fear of arrest or prosecution for child abandonment. For more information, visit [www.babysafela.org](http://www.babysafela.org) or call 1-877- Baby-Safe.

## Haz Mat 43: An Important Local Resource

Fire Station 43, located at 921 S. Stimson Avenue in the City of Industry, is home to one of four Los Angeles County Fire Department Hazardous Material Units (Haz Mat). Firefighting personnel assigned to this station respond to fires and all major incidents. In addition, these firefighters are specially trained to respond to commercial and industrial incidents that involve chemicals in solid, liquid, or gas form.

Haz Mat 43 is equipped to detect spills, releases or leaks, and also handle road, rail, truck, harbor, and air transportation incidents. The local industrial community and surrounding areas are fortunate to have Haz Mat 43 in close proximity and available at a moment's notice.

## Brush Clearance

The Los Angeles County Fire Department conducts annual residential brush inspections. Please follow these simple tips to lower the risk of property damage or loss.

- Remove flammable vegetation and other combustible growth within 30 feet of any structures
- Landscape with drought-tolerant and fire-resistant plants
- Space trees and shrubs a minimum of 15 feet apart (or three times their diameter) from other shrubs
- Remove dead branches, leaves and all stacks of combustible materials
- Stack wood at least 30 feet from structures
- Remove flammable vegetation within 10 feet of wood piles

For more information on brush clearance and brush clearance vendors, please visit: <http://fire.lacounty.gov/FirePrevention/PDFs/BrushClearance.pdf> or <http://fire.lacounty.gov/Forestry/BrushManagementHazardReductionContractors.asp>

## Proper Disposal of Expired Medications

Do not flush unused, unwanted, or expired non-controlled medications down your toilet, drains, or sinks. Properly dispose of your prescription and over-the-counter drugs at a Household Hazardous Waste collection center or event near you. You may also put your unused medications in a sturdy, securely sealed container, then in a trash can where children and animals can't reach them. If you leave your medications in their original container, then delete your personal information off the containers before disposing them. For more information, visit [www.888CleanLA.com](http://www.888CleanLA.com) or call (888) CLEAN LA.

## Five Tips to Save Money and Water

With the driest season on record, water conservation should be a high priority for all residents. Here are five easy ways to save water at home and in the garden:

1. Adjust your sprinklers. Up to 70 percent of residential water use goes to maintaining our yards. Try taking a minute or two off the timer. Turn off your sprinklers during rainy weather.
2. Fix those leaks. Just a drip can waste more than 10,000 gallons per month. A leaking flapper on a toilet also increases flows at the water treatment plant.
3. Plant native species or drought-tolerant plants. Many of the lawns and plants we use are not intended for the unique climate in Southern California.
4. Turn off the water while you brush your teeth or shave, and take shorter showers.
5. Wash only full loads of laundry. Waiting until you have a full load can save you up to 20 gallons for the same amount of clean clothes.

## Los Angeles County Tackles Bag Litter

Each year, approximately six billion plastic bags are consumed in Los Angeles County, the equivalent of 600 bags per person per year. With less than five percent being recycled, plastic bags make up as much as 25 percent of the litter, and local governments spend millions of dollars each year on clean-up. Last year the Board of Supervisors adopted a Single Use Bag Reduction and Recycling Program to address this litter problem. The County's Program collaborates with industry representatives, manufacturers, environmental groups, and residents.

Under the Program, large supermarkets and pharmacies throughout the County unincorporated areas would be required to meet a 30 percent consumption reduction by July 1, 2010, and 65 percent consumption reduction by July 1, 2013. If these requirements are not met, actions towards a ban on plastic bags would be triggered.

To learn more about this Program, visit Los Angeles County's Environmental Resources website at [www.888CleanLA.com](http://www.888CleanLA.com).

## Find the Public Works Services to Meet Your Needs on the Internet

### Service Locator

This service is based on a Geographical Information System (GIS) that allows you to search for Public Works services in your community. Based on the location entered, the website provides the information as well as driving directions to the offices. [dpw.lacounty.gov/go/service](http://dpw.lacounty.gov/go/service)

### eNotify

eNotify is a e-mail notification system that provides up-to-date information on topics or events of interest to the public. eNotify will list information to County residents about Public Works projects or major events that may impact your neighborhood, travel, transportation, and recreation. This system allows you to customize the information you receive.

## Hazardous Household/Electronic Waste Collection Events (HHW/E-Waste)

**Saturday, July 25, 2009, 9:00 a.m. - 2:00 p.m.,** Hacienda Park (Hacienda Blvd. and Encanada Drive) La Habra Heights.

**Saturday, August 22, 2009, 9:00 a.m. - 3:00 p.m.,** Rowland High School, 2000 S. Otterbein Rd., Rowland Heights.

The health and safety of people and animals, as well as the health of our communities and the environment, are endangered when HHW/E-Waste products are discarded in household garbage, sinks and storm drains. The following are examples of HHW/E -Waste products that may be found in and around your home:

- Lawn/garden-care products • Paint and paint-related products • Automotive fluids and batteries
- Beauty products and medicine • Electronic equipment • Household cleaners

Public Works sponsors HHW/E-Waste Collection Events where residents can drop off their HHW/E-Waste. Collection events are scheduled in different areas throughout the County and are free to the public. For more information log on to [www.888CleanLA.com](http://www.888CleanLA.com) or call (888) CLEAN LA.

### What is home-generated sharps waste?

"Home-generated sharps waste" means syringes, hypodermic needles, pen needles, intravenous needles, lancets, and other devices used at home to penetrate the skin for the delivery of medications.

### Can I throw my sharps in the trash?

No, it is illegal. If you self-inject at home, State law prohibits disposal of your sharps waste in the trash.

### Distribution sites near you:

<b>Goodwill Industries</b>	<b>Albertson's/Sav-on Pharmacy</b>
17518 E. Colima Road	19725 Colima Road

When your sharps container is full, dispose of it at any of the County's designated collection sites. More information is available at the website.

## E-Waste Disposal (888) CLEAN LA or (888) 253-2652

E-waste is electronic equipment such as computers, printers, televisions, VCRs, cell phones, fax machines, stereos, and electronic games. Electronics may contain lead, copper, and other heavy metals or potentially toxic substances.

### What can I do with my E-Waste?

## Smart Business Recycling Site Visits

(888) CLEAN LA or (888) 253-2652

[www.businessrecycling.com](http://www.businessrecycling.com)

The Smart Business Recycling Program is designed to help businesses reduce the amount of trash they generate and throw away. This can save your company money, conserve landfill space, and protect the environment. The program offers FREE on-site waste evaluations with recommendations to assist business owners and managers with enhancing their management of solid waste, and possibly reducing their waste disposal costs as well. Businesses can request a FREE evaluation and obtain other solid waste and recycling information.

## Request Graffiti Removal

### Keep Your Community Clean

To report neighborhood graffiti and request removal, call (800) 675-HELP. A graffiti removal request may also be submitted online with the option to upload photos and check the removal status. To report graffiti, go to [ladpw.org/go/graffiti](http://ladpw.org/go/graffiti).

## Are There Abandoned Shopping Carts in Your Neighborhood?

Help keep your community free of abandoned shopping carts. To report abandoned shopping carts please call (800) 252-4613, 24-hours a day. You may also call the Department of Public Works at (626) 337-1277 to arrange for removal.

## Los Angeles County Going Green!

Los Angeles County's Green Building Program will help create healthier communities. The program, which includes three ordinances, addresses energy efficiency, water conservation, use of recycled materials, the importance of rainwater infiltration and better indoor air quality. The Green Building Ordinance seeks to reduce the need for energy within buildings, ensure that construction waste is diverted from landfills and provide the infrastructure for future environmentally friendly technologies. The Drought-Tolerant Landscaping Ordinance provides guidelines on how to plant more water efficient landscapes, which are attractive and cost less to maintain. The Low Impact Development Ordinance creates developments that allow infiltration and treatment of rainwater which would otherwise flow into gutters. For more information, please contact the Ordinance Studies Section of the Department of Regional Planning at (213) 974-6432 or visit the project website at: <http://planning.lacounty.gov/spGreenBuildingProgram.htm>.

## Generation Earth

Generation Earth is a FREE secondary school environmental education program offered by the Department of Public Works. This program provides middle and high school teachers and student leaders in Los Angeles County with a variety of tools to create environmental programs at their school. Students not only learn more about local environmental issues, but are empowered by the positive results they can create on campus. A variety of resources are made available to schools who participate. Call (818) 623-4856 for more information or log on to [www.generationearth.com](http://www.generationearth.com).
